Dear Mr. Ganley:

The attached is a list of additional signatures to the petition filed with your office on July 15. A copy of this petition had been left with Dr. John Hayes of the Hayes Chiropractic Center, who made it available to tenants and employees of his building at 808 Stevens Avenue.

The thirty-eight signatures hereby submitted represent tenants of the building, employees, and patients who visit Dr. Hayes and who oppose the Stevens Avenue project.

Please file this document with those already submitted.  
Thank you for your cooperation.

Sincerely,

Earl C. Mercer

Date: July 14, 1997

To: Robert Ganley, City Manager  
City of Portland, Maine

We the undersigned residents and property owners of Stevens Avenue in the City of Portland hereby petition you, the City Manager, and the Department of Public Works to cease and desist from any further construction of the kind engaged in during the week of July 7 through July 11, 1997 on the said Stevens Avenue.

We further request that the unsightly and dangerous humps of asphalt placed in the middle of our beautiful street be removed forthwith and that legal parking be restored to both sides of Stevens Avenue.

We believe this "project" to be ill-conceived and wish to inform you that it seriously interferes with the quiet enjoyment of our homes, offices and businesses.
